

Ohio Men's Action Network

The mission of the Ohio Men's Action Network is to end relationship and sexual violence in Ohio.

The Ohio Men's Action Network (OHMAN) is a network of men and women, as individuals and as representatives of local and state organizations, working to engage men and boys in efforts to prevent sexual violence; sexual exploitation; domestic, intimate partner, family and relationship violence and to promote equitable, non-violent relationships and a culture free of oppression.

We seek to create and support communities where all people can live free of violence within their relationships, and share in their commitment to respect, safety, and equality.

Why Men?

OHMAN firmly believes that while most men are not violent, many men do not know how begin to address violence in their communities.
