ODVN Creates Virtual Spaces and Resources for DV Programs

Amid the COVID-19 crisis, ODVN strives to stay connected with and provide the most up-to-date information to its member programs. As such, ODVN has prioritized creating virtual support and information forums for DV programs. These spaces include an Executive Director meeting, a Youth Advocate Support meeting, a Legal Advocate Check-In meeting, and a Prevention and Community Outreach meeting.

Every Tuesday at 2:00 PM, Sonia Ferencik, ODVN's Youth Advocacy and Trauma-Informed Services Coordinator, facilitates a virtual Youth Advocate Support Meeting.

ODVN Advocates for Safe Releases to Reduce Prison Population

ODVN strongly supports the recent letter from the ACLU and others to immediately reduce prison populations in consideration of the COVID-19 pandemic. ODVN recently wrote the Governor in support of efforts to reduce the incarcerated populations in Ohio. We support the use of domestic violence risk assessments for anyone charged with a domestic violence or related offense who is considered for humanitarian release. We also advocate that the Governor release women ODVN recommended for release via parole or clemency in 2017. These women were incarcerated for acts committed in the context of their own domestic violence victimization.

ODVN Emergency Hotel Assistance

If a survivor working with a local domestic violence program requires a 14-day period of isolation or guarantine, either for preventive or social distancing reasons, or because they are in a high-risk category, the program may submit a request for funds to ODVN for emergency hotel assistance.

Hotel Assistance Program

ODVN is providing funding for hotel stays for survivors and their families to help Ohio's domestic violence shelters **remain open and accessible** during the COVID-19 outbreak. This program is intended to facilitate social distancing and help reduce the number of residents at our member programs.

Eligible applicants should be relatively independent of staff support and close to leaving shelter. Survivors at high risk of COVID-19 are also eligible. ODVN will cover 14 nights in a hotel. Survivors must be able to return to shelter or access other housing at the end of their hotel stay.

Please submit completed Emergency Fund Request Forms to Cassie Baker at CassieB@odvn.org.
