

DELTA AHEAD BULLETIN

JANUARY 2024

SUCCESSSES

Input from the November SLT meeting has been invaluable in revising the State Action Plan (SAP). The second draft will be sent out for review on February 1.

CHALLENGES

Transitions! Not only has ODVN revised the entire prevention team in the wake of Rebecca Cline's retirement, changes have also happened at New Directions. Congratulations to Lindsey Lamp the new Executive Director and to Libby McConnell who is taking the prevention role. Even the CDC has had staffing changes, with our project officer Jessie Crowell becoming Team Lead for the IPV group.

LESSONS

We have learned the importance of establishing strong relationships within work teams, as it is paramount, especially during a time of transition.
